

Dräxlmaier in Giza, Egypt

 The distance from the International Airport Cairo to EGES plant in **6th October City** is 50 km.

From the International Airport Cairo, go to **Giza (Pyramids)**. In Cairo stay on **Salah-Salim-road** to **El-Faiyum/6th October City**. Salah-Salim-road leads into **Al-Haram-road** in Giza (at the Nile). At the Pyramids of Giza go to the roundabout and continue on the motorway towards **El-Faiyum**. Turn right at the 6th October City-road to **6th October City**. Follow the signs to **Al-Wahat (Oasis)**. Turn right into **Industrial Area** and take the first turn left into Street No 2. See below in the illustration how to continue.
