

DRÄXLMAIER Group Quality Policy

Quality Policy

Preamble

We are a competent partner to the automobile industry, understand the demands of the market and implement them for our OEMs throughout the processes. In times of increasing digitalization, we create innovative ideas and implement them for our customers in a timely manner. We consistently adhere to our global standards and continue to develop our excellent processes in every areas of the organization. By recognizing the need for differentiation and keeping an eye on the market, we increase the satisfaction of our customers and thus also our corporate success. Moreover, we require our partners and suppliers to adhere to the quality standards of our customers.

Content

Operational Excellence

We recognize risks at an early stage by applying the most modern methods and thus avoid errors and unnecessary costs. We continually increase our performance by monitoring our effectiveness and provide sustainable mutual solutions to any deviations in a timely manner.

Our Responsibility

We continue developing the skills of our employees in accordance with our own forward-looking performance demands and at the same time heed their individual personalities and competences and promote our employees' performance and commitment.

Scope

The contents of this policy apply to all employees of the DRÄXLMAIER Group worldwide. Furthermore, the DRÄXLMAIER Group requires its suppliers to respect and take account of them in their policies.
